RE: Phase I Wireless 9-1-1 Service Request

Having met all of the requirements for Phase I Wireless 9-1-1 service per FCC Report and Order 94-102, I hereby request the installation of Phase I wireless services from your company.

I suggest that we schedule a meeting with your 9-1-1 manager within the next two weeks at my office to discuss the implementation process. Please ask that your 9-1-1 manager contact me within a week to set up a meeting date and provide me information about your staff members that will be attending.
